The Academy places considerable weight on the academic and personal qualifications of each student applying for admission. Your recommendation is vital to our process, and we appreciate your most candid and thoughtful responses. Please be assured that the Academy has the utmost respect for your candor and your responses will keep strictly confidential.

The Davidson Academy of Nevada provides profoundly gifted middle and high school students the opportunity to learn to the full extent of their abilities in a supportive environment with intellectual peers of similar age. Individual classroom experiences at The Davidson Academy are personalized and structured to provide students with a pace and depth appropriate to their ability. Our teaching methods focus on higher level thinking skills and a genuine regard for the unique identity of each individual learner. Once the core requirements have been mapped out, and students are ready for the challenges of a postsecondary environment, we provide access to university courses. Academy students also develop personalized learning plans which guide them through a rigorous core curriculum and help them make elective decisions based upon their interests and commensurate to their levels of ability, achievement, and motivation. 1. Briefly describe the course(s) you provided the applicant. It would be particularly helpful to know what texts were used and if your students were grouped by ability. Your assessment of the pace and intellectual depth are also highly relevant.
2. If the student is relatively weak or strong in any of the areas listed on page 2 please elaborate.
3. How would you characterize the student as a reader? Please include information about the student's ability to understand abstract concepts, draw inferences, and reach logical conclusions.
4. How would you describe the student's level of sophistication as a writer? One of our baselines for 6th grade functioning in written expression is the ability to produce an accurate and efficient summary. However, we are also interested in information about the student's ability to analyze and evaluate a variety of texts.
5. How well does the student accept and utilize criticism, particularly with regard to peer and teacher suggestions for revision?
6. Please provide any additional information that will give us a more complete picture of the student both in terms of character and intellect.
